

*Every artist has to have their medium - mine's cake.*

In a story that Eileen Drennen wrote for The Atlanta Journal-Constitution published on: 07/25/06:

"Sharie Scott is an artist of the ephemeral. Like Tibetan monks who craft intricate mandalas in the sand, she makes her confectionary creations not for eternity, but for the moment. Her tiered wedding cakes look too good to eat."

Sharie Scott

Sharie started retail baking about 32 years ago in a small apartment in Chicago doing 10 cheesecakes a week and selling them to at least 2 popular restaurants in the area resulting in Leona's Pizza winning Best of Chicago in Cheesecakes in 1987.

Sharie attended Atlanta Art Institute in 2004 and received certifications in Bakery & Pastry and Fundamentals of Chocolate.

As owner of Sweet Dreams Bakery & Custom Cakes founded in February 2004 formerly located at 51 South Peachtree St in Norcross Georgia for 4 years experienced growing pains causing the relocation from her 600 square foot beginnings to a larger 1600 square foot space located at 2088 Idlewood Rd. Suite 8 Tucker GA 30084 in late 2008. During those beginning years Sharie developed her School of Cake Decorating which offers classes from beginner to advanced in Cake 101, Intermediate Cake Decorating, Advanced Cake Decorating, Fondant 101, Advanced Fondant, Sugar Arts 101, Intermediate Sugar Arts, Advanced Sugar Arts and Ultimate Rose Clinic. These classes are taught in our fully licensed state of the art bakery facility located on the premises.

Today business is booming with orders for wedding cakes, birthday cakes, corporate cakes, custom cakes and bakery items like dozens of Chocolate Chip cookies, Peanut Butter cookies, Oatmeal Raisin cookies, filled cupcakes, ganache topped brownies and cheesecakes both personal 6" & regular size 10". Classes are increasingly popular and are being taught weekdays and Saturdays.
